ACCREDITATION CENTER

There will be a Meeting Accreditation Center (CAM), which will be located before the pool's acces.

- The C.A.M. will have:
 - a . Hand hydroalcoholic solution bottles.
 - b . Provision of masks to facilitate them in case of need.

DOCUMENTATION:

To access to the facility on competition days is mandatory to have accreditation.

COVID TEST:

If you need a Covid test, come to visit us in the staff point and we will give you all information about.

TRAINING AND COMPETITION VENUES

Training and Competition Venues are exclusively used for the Championships during the period thereof.

Only Participants with an access authorization may enter the Training and Competition Venues, while adhering of the Guide.

The previous training are:

Monday 23th from 3pm to 8.30pm.

Tuesday 24th from 8am to 8:30pm.

THE SWIMMING POOL

Competitors must follow the “enter, train, leave” rule;

- The area around the pool shall be disinfected according to the sanitary protocol.
- Zone of participants to a competition. The Venue is divided in 2 zones: fixed stand and extra tier seat.

WARM-UP POOL

During the warm-up, lanes 1 and 8 are reserved for sprints and starts.

CALL ROOM

A specific protocol will be implemented before entering the competition area for the competitions.

The different call-rooms are set up in order to respect all the physical distancing.

In the Call Room (for series-events) the athletes will receive a **plastic bag** for individual use where they can store their clothing and sports shoes used prior to the competition (it is recommended to use the essentials).

Athletes must access the "call room" between 10-12 minutes before the estimated start of each of the series.

All swimsuit controls will be visually executed while **maintaining social distance**.

Once they have competed, they must collect said bag from the place where they had previously deposited it (clothing bucket next to the athlete's chair) and they may go to the Recovery Chamber.

DURING COMPETITION

Entrance will be regulated in order to keep valid all sanitary precautions, Individual presentation can be done.

Baskets

The volunteers will give each participant a plastic bag to place their clothes and shoes in the basket. The baskets will be arranged next to the chairs for swimmers.

Water buckets

There will be no water buckets available for swimmers at the starting blocks.

Coaches

Coaches shall not be allowed on the pool deck during the competition.

Team Leaders Meeting

Technical information will be sent to all team leaders well in advance for their information.

There will be no team meeting

RESULTS

Results will be published both on the website of FEDERACIÓ CATALANA DE NATACIÓ.

AWARDS

Important information for attendees:

Legal note: According to the Spanish Tax Department, Club Natació Sant Andreu, is responsible for filing taxes for all money awards. This tax obligation will be paid by our organization and will be depending on the country of origin of every swimmer.

Enclosed is a form that it must be completed by each swimmer. Completion of the form will be mandatory before the competition begins.

<https://form.jotform.com/211374108793053>

PRESS

The number of media to be credited will be determined based on the available spaces and to ensure the recommended social distance.

No press accreditation will be delivered without prior request within the established deadlines (72 hours prior to the start of the competition).

In the **areas for photographers that are delimited** by the organization of the competition, a **distance of 1.5 m** must be maintained between the photographers and all available positions must be previously marked.

A person in charge of the organization will be determined to control the movements of the accredited media during the celebration of the competition.

In the MIXED ZONE (if arranged), the media representatives must maintain a **distance of 1.5 m** with the athletes at all times.
